

INVITATIONAL INSIDER

Volume 2. No.1

October 2019

The 44th Wilshire Invitational is off to a great start. Players checked in and received L.E.N. Custom Fit Belts, Puma Shoes, Titleist Golf Balls and a Commemorative Wilshire Invitational Ball Marker.

Clear skies and perfect course conditions set the stage for low scoring. The 9-Hole Scotch Tournament kicked things off on Thursday with 55 teams split across two divisions on the Front and Back 9! The first day of matches shot gunned at 3pm following the Nine Hole Scotch.

After the competition, participants gathered at the newly renovated Driving Range! The evening was filled with activities including TV's displaying the Dodger's post season opener, Thursday Night Football, live music, delicious food and a skills contest sponsored by TrackMan!

With many teams still in the hunt to win their flight, anything can happen! Don't forget teams can still make it to the derby from the Wildcard position.
