

## DERBY FORMAT

Play will commence on the 10th hole and the field will be divided into two flights of six players each. Holes to be played are 10, 11 and 18.

Elimination will be based on high scores for each hole. Ties will be broken by a "chip-off" from a predesignated spot on each hole on a closest-to-the hole basis. First elimination on the 10th hole is four players.

The remaining eight players will combine into a single flight on the 11th hole. Second elimination on the 11th hole is four players.

The remaining four players will compete for the championship on the 18th hole. Ties will be broken by chip-off in the same manner as the preceding holes. The winner will be considered exempt & automatically entered in the following year's derby.

### IN SUMMARY

10th Hole : 4 Players Eliminated  
11th Hole : 4 Players Eliminated  
18th Hole : 4 Players competing for  
Win, Place and Show
